# THE EAGER ASTRONAUT!

# RACE TIME!

Fill in the blanks with the right kind of word and complete the story!

It was the day of the big Race Car Rally.  
Before the \_\_\_\_\_ could  
(a sporting event)  
begin, the Road Work Truck needed to  
get the race track ready. First, the truck's  
workers built the starting \_\_\_\_\_ .  
(an object)

"Hurray!" said the driver of the  
\_\_\_\_\_ race car. "Now we can race."  
(a color)

"Not yet," said the Truck driver. "We still  
need to build the  
\_\_\_\_\_ track."  
(a sport)

The Road Work Truck workers used  
lots of colorful bricks to build a long  
\_\_\_\_\_ that the cars could race on.  
(an object)

But the race could not start yet. "A race  
track needs \_\_\_\_\_ for fixing  
(objects)  
cars, and traffic \_\_\_\_\_ to keep  
(objects)  
everybody safe, and a big \_\_\_\_\_  
(a prize)  
for the driver who wins the race," said the  
truck driver.

"I knew that we needed all of  
those things," said the driver of the  
\_\_\_\_\_ race car.

# MAX IS MIXED UP?

The Road Work Truck kept building. "The

\_\_\_\_\_ track is almost finished," said the  
(a sport)  
driver, "but it still needs one more thing."

"Does it need a \_\_\_\_\_?" asked the driver  
(an object)  
of the \_\_\_\_\_ race car.  
(a color)

"Does it need a \_\_\_\_\_?" asked the driver  
(an object)  
of the \_\_\_\_\_ race car.  
(a color)

"No," said the truck driver. "What this

\_\_\_\_\_ track needs is both of you!"  
(a sport)

So the drivers got into their cars and drove to the  
starting \_\_\_\_\_. It was finally time for  
(an object)  
the big Race Car Rally to start!

Ready...set... \_\_\_\_\_!

# CREATE YOUR OWN NINJA MASK!

You don't need any special supplies to create a cool Ninja Mask, just like your favorite LEGO® NINJAGO™ characters wear! Make sure to ask a grown-up to help you make your mask.

**STEP 1:** Get a long sleeved or short sleeved plain t-shirt. You can use black for the traditional Ninja look, or you can match one of the Ninjago characters!

**STEP 2:** Put the t-shirt over your head, inside-out. The tag should be right beneath your chin, as you hold the sleeves out to the side.

**STEP 3:** Take the sleeves and tie them in a knot behind your head.

**STEP 4:** Fold the top of the opening of your mask up and under, near your eyebrows.

**STEP 5:** Pull the bottom of your mask over your nose and fold the tag inside the shirt.

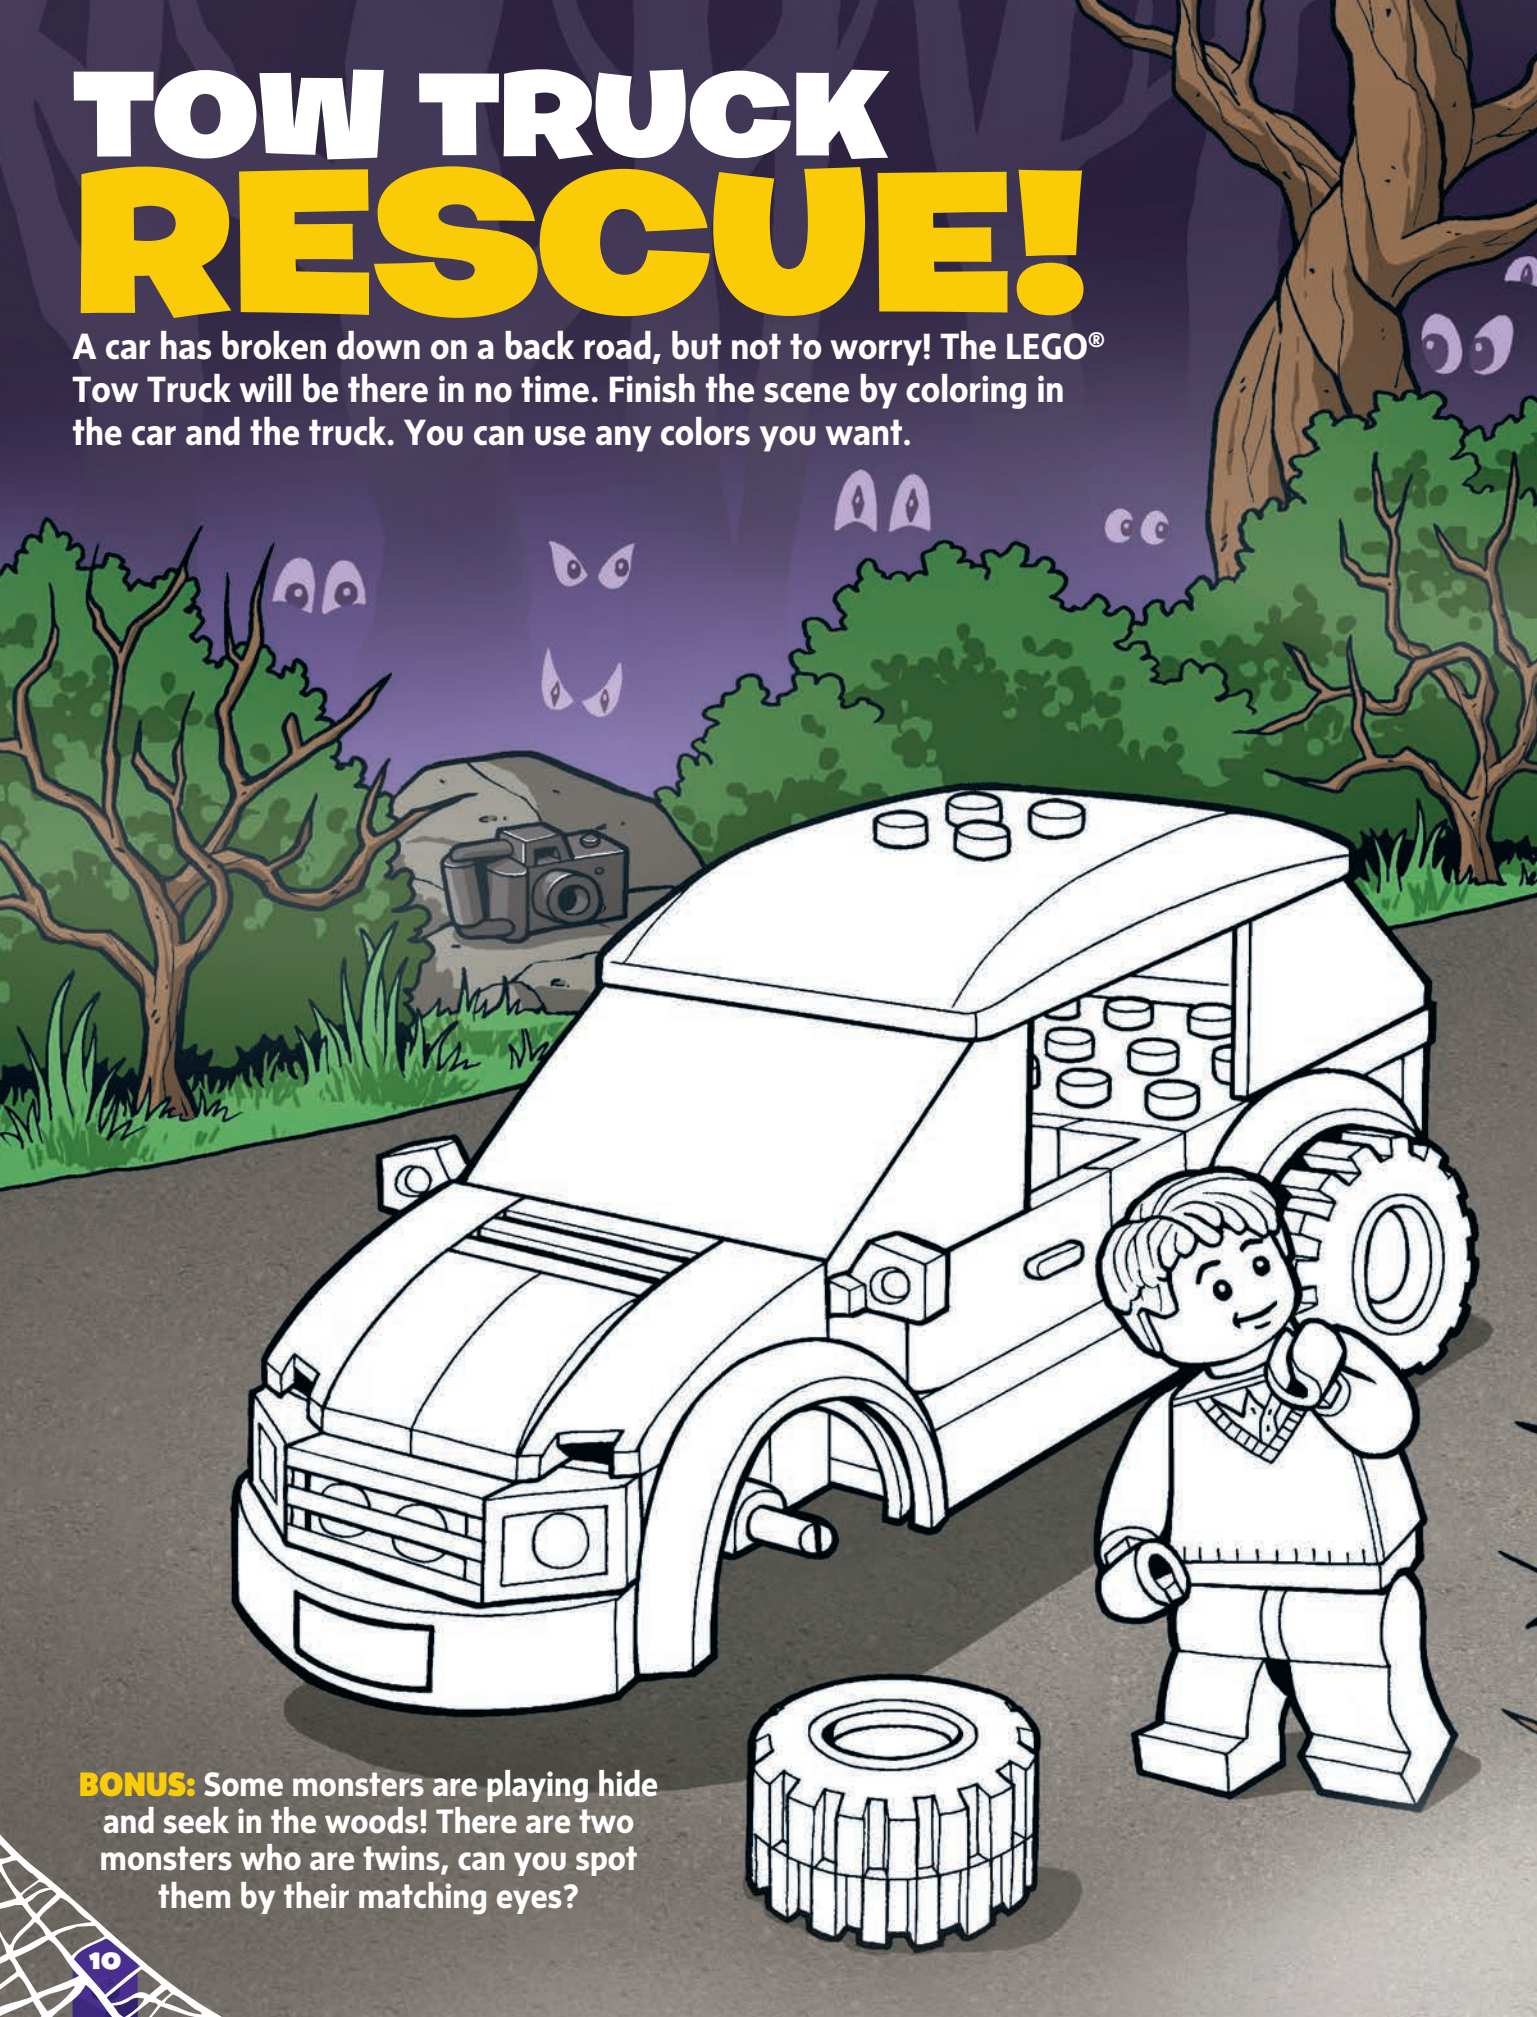

**STEP 6:** Get ready to practice your Ninja skills!

Think you're a ninja? There is a ninja hiding on this page, waiting to strike! Can you spot him?

# TOW TRUCK RESCUE!

A car has broken down on a back road, but not to worry! The LEGO® Tow Truck will be there in no time. Finish the scene by coloring in the car and the truck. You can use any colors you want.

**BONUS:** Some monsters are playing hide and seek in the woods! There are two monsters who are twins, can you spot them by their matching eyes?
